Dear Customer:

We are very excited to announce the launch of an automated card gas pump system in Oconto! The new system will allow you to purchase gasoline and diesel fuel 24 hours a day 7 days a week. Purchases can be made using **Credit/Debit Cards*** (Visa, MasterCard, Discover, American Express, Diner's Club, Voyager, Fuelman, FleetOne Visa Fleet, MasterCard Fleet & Wright Express) or **In-House Charge Cards** (known as *EO PUMP CARDS*) which will charge your purchase to your account with Eggleston Oil Company.

Feel free to request as many cards as necessary to meet your needs. It is suggested that one card be requested for each person or vehicle that is authorized to charge on your account. A description of the card will be included on your statement for your convenience in reconciling charges. *You also have the option to set limits on the cards in terms of which fuel products can be purchased or limit the amount that can be charged to a card each day. These limits are optional.* If your business requires more specific limits or information such as Unit Number, Odometer Reading, etc. please include a detailed description of your request with this completed application. We will do our best to accommodate these requests.

If you are interested in receiving an EO PUMP CARD please complete the information below and return to us as soon as possible. If you have any questions regarding this new system please feel free to contact us by phone at (308) 858-4400 or by email at egglestonoil@gpcom.net.

Sincerely,

Brett D. Eggleston

*Please note that standard Credit Card Industry limits will be imposed by card issuers for purchases made with Credit/Debit Cards. Please contact us with any questions.
